Mr. Clevenger,

Our investigation process has no set timeline for me to give you. As evident by the information provided by you in your grievance, the matter was referred to the United States Attorney's Office for the District of Columbia where it currently remains. Once the US Attorney's Office and any judicial entity have made a final determination, our office will take the appropriate action. You will be so notified of the decision at that time.

Subject: OPC Case No. T-2016-495 (Hillary Rodham Clinton)

Mr. Ligon,

I filed a misconduct complaint against Hillary Rodham Clinton on September 1, 2016, and I have attached a copy to this email. Do you have a ballpark estimate when a decision will be made on that complaint? I am wondering if the committee intends to wait until after the election. Thanks for your consideration.
