Re: Attorney grievance against Hillary Rodham Clinton

Chairman Chaffetz and Chairman Goodlatte:

I have attached a letter that I received today from Stark Ligon, executive director of the Arkansas Supreme Court's Office of Professional Conduct, regarding my bar complaint against Hillary Clinton. As the basis for my complaint, I attached your October 5, 2016 perjury referral of Mrs. Clinton to the U.S. Attorney for D.C.

On the second page of Mr. Ligon's letter, he indicates that his office is having difficulty obtaining transcripts and other evidence related to the alleged perjury. I respectfully ask that you assist Mr. Ligon in obtaining the evidence that he needs.

I have also attached related bar grievances that I filed against U.S. Attorney Loretta Lynch, FBI Director James Comey, and attorney Beth Wilkinson with the U.S. District Court in Manhattan. I filed similar complaints with the state disciplinary committee in New York, and those complaints (as well as a related complaint against David Kendall) are being handled by Remi Shea, a senior attorney with the committee. She can be reached at (212) 401-0821. I hope your staff will be able to assist her investigation.

Thank you for your consideration.

Sincerely,

Ty Clevenger
