Yes. We are thinking about our response to you. Any news to share with us about the status of any active congressional or DOJ investigations of Ms. Clinton? She seems to have disappeared from the news.

Mr. Ligon,

My private mail store announced that it was closing (two weeks after I rented a mailbox there), so I've had to change my address again. The new address is P.O. Box 20753, Brooklyn, NY 11202-0753. Do you have any idea when a decision will be made on my complaint? I am considering a petition for mandamus, but I don't want to file one if a case is about to be opened. Thanks.

Mr. Ligon and Mr. Harmon,

Just wanted to see if there were any new developments in the Clinton matter. Does your office plan to ask Mrs. Clinton to respond to my complaint? Thanks.

Mr. Harmon,

In your October 10, 2016 email, you indicated that OPC would await action from DOJ on the perjury referral before deciding whether to bring disciplinary charges against Hillary Rodham Clinton. Based on the article below, it appears that DOJ will not be taking any action against Mrs. Clinton.
