Dear Ms. McFarland:

I am referring the enclosed complaint for your consideration. A local Texas Department of Public Safety Trooper came into my office and met with my investigator. He has alleged several instances of Forged Government Records by his Department and the alleged suspects are in the chain of command for DPS. My investigator has written the enclosed reports and I am enclosing copies of the entire file he brought to our office.

If you have any further questions or concerns, please contact me. I do not believe, based on my review of the report, that any venue would lie in Upshur County. Of course this would require an investigation. If this is a matter in which I need to recuse and ask for appointment of an Attorney Pro Tem, I certainly will.

Respectfully,

BILLY W. BYRD
