Re: Freedom of Information Act request

To Whom It May Concern:

I have attached a September 25, 2017 letter from Senator Charles Grassley to Acting Special Counsel Tristan Leavitt, and I wish to see documents and/or records described in that letter. In particular, I request the opportunity to see the following documents and /or records (regardless of whether they are in electronic or any other format):

1. All information concerning non-disclosure agreements (“NDAs”) between the Office of Special Counsel (“OSC”) and the Federal Bureau of Investigation (“FBI”) regarding OSC's investigation of former FBI Director James Comey. This request includes, but is not limited to, any email or other correspondence regarding the NDAs (*e.g.*, exchanging drafts of the NDAs) as well as the NDAs themselves.
2. All records, documents, correspondence, or other materials in the OSC's possession or control related to or resulting from its investigation of former FBI Director James Comey.
3. All records, documents, correspondence, or other materials requested by Senator Grassley in his September 25, 2017 letter and/or produced to Senator Grassley in response to that letter.

I also request the following:

4. All records, documents, correspondence, or other materials related to or resulting from OSC's investigation of FBI Deputy Director Andrew McCabe.
5. Any other NDAs that the OSC has executed since January 1, 2010 that would prohibit the release of materials to Congress or to a Freedom of Information Act requestor.

6. Records, documents, correspondence, or other materials indicating the last time OSC prosecuted a case related to violations of the Freedom of Information Act by a government employee.

Each of the foregoing paragraphs should be treated as a separate request. I have also attached a September 26, 2017 story from CNN regarding the letter from Senator Grassley to Mr. Leavitt. As indicated by that story, my FOIA request pertains to matters of widespread public interest, therefore I ask that you expedite the response.

Thank you in advance for your assistance.

Sincerely,
