Mr. Ty Clevenger

Dear Mr. Clevenger:

Thank you for your recent correspondence regarding your difficulties with the United States Department of Justice (DOJ). I certainly understand the importance of this issue to you.

As your United States Senator, one of my highest priorities is to serve as a liaison with the federal government and its agencies. I understand how challenging it can be when dealing with the bureaucracy. Accordingly after further review, I have contacted the appropriate officials at the DOJ as well as the Texas Rangers, and have asked them to provide a response to your concerns. I will write you again as soon as I receive their reply to my inquiry.

I appreciate having the opportunity to represent you in the United States Senate and to be of service in this matter.

Sincerely,

JOHN CORNYN
United States Senator
