Re: Grimes County District Attorney / Montgomery Auto Theft Task Force

Gentlemen:

I request a criminal investigation of Grimes County District Attorney Tuck McLain. I have enclosed a copy of the First Amended Complaint that was filed this week in *Leslie W. Shipman v. Donald Sowell, et al.*, Case No. 16-cv-692 (SDTX), and I would particularly direct your attention to paragraphs 31-33.

I further request a criminal investigation of Grimes County Sheriff Donald Sowell and the members of the Montgomery County Auto Theft Task Force ("MCATTF") for the reasons outlined in the complaint. John Quinn, my co-counsel in *Shipman v. Sowell*, was contacted by other alleged victims of MCATTF misconduct after he was interviewed by a local television station concerning the federal lawsuit. Mr. Quinn can be reached by telephone at (979) 822-4766.

The MCATTF appears to be a rogue law-enforcement entity that makes up the rules as it goes. I hope you will give its members the attention that they deserve.

Respectfully,

Ty Clevenger
