Mr.Clevenger:

The petition Mr. Johnson filed with my office was 59 pages and the first two pages were the same. It was circulated and signed by Mr. Johnson.

On April 27th Mr. Russ came to my office and filed pages of the same petition that were circulated by Shirley Harris (containing 22 pages) and Martha Castilleja (containing 13 pages).

The additional pages, circulated by Ms. Harris and Ms. Castilleja, were not part of the petition that Mr. Johnson filed with me nor with the original petition that Mr. Russ filed with me on April 7th.

If you have any further questions, please feel free to contact me.

Thank you,

Trudy Hancock, REO

Ms. Hancock,

During our phone conversation on 4/21, you said the petition signatures that Milton Johnson provided to you directly were the same as those provided to you by Rusty Russ. Are you sure about that? Mr. Johnson assures me that he delivered all pages directly to your office.
