Decision

It is the decision of the trustees that this claim be denied. The claimant did not adequately show that the respondent was acting as a lawyer; or acting in a fiduciary capacity customary to the practice of law, such as personal representative, administrator, executor, trustee of an express trust, guardian or conservator; or acting as an escrow holder or other fiduciary, having been designated as such by a client in the matter in which the loss arose or having been so appointed or selected as a result of a client-attorney relationship, as required for reimbursement under the Fund's Rules of Procedure.
