Mr. Clevenger,

Thank you for your correspondence. It seems as if you seek to initiate an ethical complaint against Clinton. I believe the appropriate entity for doing so would be the Committee on Professional Conduct, which is part of the Supreme Court of Arkansas. Their number is 501-376-0313. They handle ethical complaints against Arkansas attorneys. If you seek to file a lawsuit, you must do so with the clerk of court here. If you seek to initiate an ethical complaint, this court is not the proper route. The American Bar Association may have other resources useful to you.

Best of luck,

Lucy L. Holifield  
Law Clerk to the Honorable Brian S. Miller
