Dear Mr. Clevenger:

In reply to your email response to our clarification request of August 4, 2016, we apologize for the oversight to Item No. 1 of your request dated July 25, 2016. With regard to same, the City has made a good faith effort to comply with this portion of your request but has not identified any information in existence that is responsive to your request because the City has stated that it did not accept "*grant money from the U.S. Department of Agriculture for the purpose of building an events center in Hearne.*" Therefore, there are no responsive documents.
