FBI DOCUMENT TYPES
<p>Electronic Communications (ECs)/ FD-1057s: ECs replaced the traditional FBI correspondence (i.e., Memoranda and Letters) as the primary vehicle of correspondence within the FBI. The purpose of an EC is to communicate within the FBI in a consistent format that can be uploaded by the originating Division or office, transmitted, and downloaded by recipient Divisions or offices within the FBI's internal computer network. These forms are often utilized to record and disseminate intelligence/investigative information and for general investigation administration purposes.</p>
